Dear Miami County Neighbor,

2018 continues to be a great year for Miami County. The area United Ways of Piqua, Tipp City and Troy have merged to become the United Way of Miami County.

In so doing, the United Way of Miami County can now reach everyone in our County. The help that United Way provides is no longer bound to a city. It is county-wide.

This merger will lead to more programs, growth opportunities, information sharing and increased support and services for the residents of Miami County. The challenges facing our communities do not recognize city boundaries and by combining the three United Ways into a countywide agency we will be able to serve a greater number of people, influence social change and solve more problems.

The United Way of Miami County funds 43 agencies who are all working together to fight for the Health, Education and Financial Stability of not just Piqua, Tipp City and Troy, but for all residents of Miami County. In considering the merger, one of the factors was that there was a need for the United Way in areas of the county which weren't reached by Piqua, Tipp City or Troy. So, with the increased need comes increased costs.

That is where you can help. If you live in an area that wasn't covered by the United Way, welcome. We'd like to ask that you consider giving to the United Way. If you have given in the past, we would like to thank you and ask that you continue giving.

If you have given in the past and are concerned that your money will now be given to people who are not your neighbors, don't worry. Through the specific designation program, you can specifically indicate to which agencies you want your money to go to. So, if you want your money to stay in your specific area, then pick one or more of the agencies in your area.

Let's make the 2018 United Way Campaign as historic as the merger. Please consider giving. It is simple, just fill out the attached brochure or you can donate online by visiting our website at www.UnitedWayMCO.org.

Thank you,

Philip Cox
Chairman of the Board of Directors
United Way of Miami County
