Dear Miami County Friends,

It is my privilege to serve as this year's Chair of the United Way of Miami County Board. As the retired Mayor of the City of Troy and a longtime resident of Miami County, I have witnessed the impact of the United Way on the agencies that support the many needs within our cities and county. I have said many times, "It takes good people, doing good things, to make a great community!" This is so true with the many services provided to residents here in Miami County. Our communities only get better when we work together for the benefit of all. With pride, we all have that opportunity to serve and make a difference.

Here in Miami County, we have neighbors and friends who are willing to give of themselves to assure that everyone thrives. Your generous contributions to the United Way flow through our partner agencies and ensure continued service to those in need through support of education, health, and income.

During this, our fifth year of combined resources, the United Way of Miami County has reached farther than the border of the original three cities to help all within our county. As a direct result of your generosity, we were able to award impact grants to some other non-profits in the county, including, Covington Community Chest, FISH – Union Township, Milton Union Bulldog Bags, P.L.U.S of Covington, and West Milton Senior Center. Your donations go a long way to ensure that the United Way is able to provide funds to the many deserving agencies that play a vital role in the quality of our community.

The full list of our partner agencies can be found here [www.unitedwaymco.org](http://www.unitedwaymco.org).

Thank you for your past and current generosity that enables us all to be "*United for a Purpose!*"

Sincerely,
